

Dear Murweh Shire Residents,

Change to community Childhood Immunisations

This notice is to inform residents that post 7 March 2024, there will be a change to the community Childhood Immunisation service that is usually held at the Charleville Town Hall and administered by Murweh Shire Council.

Murweh Shire Council will no longer be the provider of this immunisation service, and Queensland Health will be offering the community Childhood Immunisation service from the Charleville Health Clinic situated at 67 Edward St Charleville.

Community Childhood Immunisations will be held the last Friday of every month at the Charleville Health Clinic situated at 67 Edward St, Charleville.

While Queensland Health are kindly continuing with the community Childhood Immunisation service, they will be closely monitoring the use of the service to assess its long-term viability.

Residents are also encouraged to access their childhood immunisations requirements from your regular General Practitioner (GP) clinic using a prebooked appointment.

Residents can assess their regular GP at:

CWAATSICH: 94 Edward St, Charleville Phone: 07 46 543 277

Website: [CWAATSICH](#)

Acacia Country Practice: 4b Wills St Charleville Phone 07 4599 7658

Website: [Home - Acacia Country Practice \(acaciap.com.au\)](#)

Charleville Health Clinic: 67 Edward St, Charleville Phone: 07 4621 2100

Website: [Charleville Health Clinic | South West Hospital and Health Service](#)

Murweh Shire Council warmly thanks the Royal Flying Doctor Service for their long-time support to the Childhood Immunisation service.

Yours faithfully

Bruce Scott OAM
CEO Murweh Shire Council
